

Patient Portal

Securely connect with your provider and stay informed with the myHealthspot patient portal.

On myHealthspot:

- Request and view upcoming appointments
- View eStatements and pay bills online
- Join telehealth appointments
- Review your medication list, lab results, and medical history
- Securely exchange messages to your provider
- Access your documents in one place

Download the myHealthspot app or log in at <https://api.azaleahealth.com/ui/mhs/login>.
